EVERYONE IS WELCOME TO PARTICIPATE AT OUR AUCTION.

If this property should interest you, I recommend that you attend the sale. You will never know the selling price unless you are present. The advantage is buying Real Estate by the "Auction Method" is that you are going to pay just one bid more than someone else is willing to pay, which lets you determine the price. We realize that some of you have never been to an auction, and perhaps you don't quite understand how the process works. We recommend that you attend this auction because prior to the sale, the Auctioneers thoroughly explain the auction process, and will conduct a "mock" auction to show you an example of exactly how the auction process works.

The auction usually lasts less than 30 minutes from start to finish. If this property should interest you, we recommend that you take the following steps to prepare for the auction day:

- Attend the Open House
- If financing is needed, try to get pre-approval for an amount that you would be willing to spend on this particular property and be prepared to close within the time indicated on the front of this info sheet under "terms and conditions."
- Come to the sale prepared with an amount that you would be willing to pay for this property, and simply bid up to that amount. If someone outbids you, you can always continue to bid.

Typical Questions and Answers

Q. Does this property have a clear title?

A. When the title is transferred to you it is guaranteed to be free and clear of all liens and encumbrances with a title insurance policy that the Seller will pay for.

Q. Is a home warranty available?

A. Yes, at a minimal cost to the buyer. Contact our office prior to the closing date.

Q. What is the buyers premium?

A. It's an auction tradition which helps defray the Seller's costs and here's an example:

Your High Bid \$100,000

The 10% Buyers Premium $+ \underline{10,000}$

Which creates the Contract Sales Price paid to the seller \$110,000

Q. Will you accept my personal check for the deposit?

A. Yes- As long as funds are available, and if you need to transfer funds, please let us know on auction day when funds will be available (must be available within 3 days)

Q. Is there a starting bid?

A. No- you can start the bidding process at any amount. The high bid will be presented to the seller for their acceptance. If this auction is an "absolute" auction, it will be sold to the highest bid regardless of price.

Q. Is there a charge to register to bid?

A. No-Just come to the auction. Our auction team will be happy to assist you.
